

## **Web Designer Wanted**

Parelli Natural Horsemanship is looking for an energetic and team-oriented individual to join our Information Technology team as a full-time Web Designer, based at the Parelli Corporate office in Pagosa Springs, Colorado (must be willing to relocate.)

The ideal candidate will have creative chops on the visual and user-interface side but will enjoy getting down and dirty in the code when the situation requires it. This position is responsible for day-to-day maintenance of all corporate web sites and the ideal candidate will be an organized go-getter that enjoys the diversity of innovating as part of a larger cross functional team.

Expert-level knowledge of Photoshop and Dreamweaver required. Must be comfortable in: CSS, HTML 5, Javascript and Wordpress. PHP knowledge and eCommerce experience a plus.

Most importantly, we are looking for a bright, positive person who is committed to the team with the ability to work within tight deadlines.

Please send cover letter and resume to be considered for this position to [web-jobs@parelli.com](mailto:web-jobs@parelli.com) with "Web Designer" in the subject line.

### **Company Background**

Founded in 1981 by lifelong horseman, rodeo rider, cowboy and teacher Pat Parelli, Parelli Natural Horsemanship is recognized worldwide as the most innovative and effective method of natural horse training. Early on, Pat realized that horses already had all the skills they needed to thrive in their world. He discovered that understanding the psychology, personality and nature of horses could become the basis for a deep, seamless and mutually beneficial human-horse relationship.

Horse owners who follow the Parelli program have found that not only does the program

enable them to become a gifted horse trainer, and not only do they achieve exciting horsemanship successes, but they come away with the lasting gift of an enhanced relationship and communication with their horse. Perhaps the greatest gift of all, however, is that they discover enhanced relationships and communication with everyone in their lives.

Leveraging the latest technologies, Parelli Natural Horsemanship is expanding globally, with campus programs and business operations in North America, United Kingdom and Australia.
